Laura Streib, Candidate for Portland City Council District 2 Endorses and supports an official 503Day in Portland

Portland, Oregon- Tomorrow is 503Day! (May 3rd) in Portland as envisioned by the CityCastPDX podcast team. Laura is thrilled that Portlanders want to bring joy and love to the city by supporting small businesses, visiting new neighborhoods, meeting in community at coffee shops, bars, restaurants, food carts, tattoo parlors, playing music, making art, and more! Take a walk in the park. Clean up some trash. Take time to meet someone new. As a Portland City Council candidate in District 2, Laura pledges to vote in favor of 503day if elected this November. So get out there and be part of your community and celebrate 503Day.
